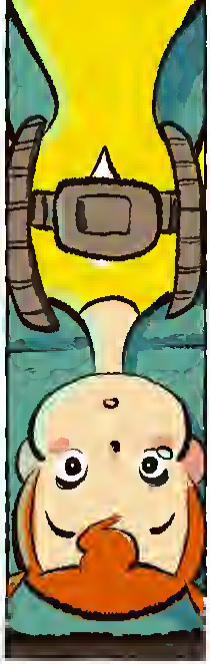
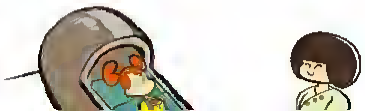
huff
huff



...and
I wake up
to a woman who
has a flavor like
cotton candy--
sweet enough
to make you
sick.



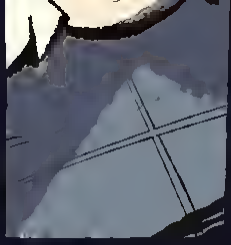
Mother told me that on Earth, the skies are blue.
I'm looking forward to that.
Then come memories of home and school and...

huff
huff
huff
huff
huff

BIX!

huff
huff
huff
30 YEARS LATER
huff

I drift back to myself in pieces.



SLAM!!

First
come
the blue
skies.
